Welcome

October 25 to 29, 2016

engineering.tomorrow.together.

thyssenkrupp

Welcome to engineering. tomorrow. together.

Visit us from October 25 to 29, 2016 at EuroBLECH in Hannover.
And see for yourself what engineering. tomorrow. together. means
for you: high-quality, innovative steel products, sophisticated material
solutions and customer-centered services.

**We look forward to welcoming you personally at our booth
E33 in Hall 17.**
