

During your plant tour you will experience the production processes at close hand. Your personal safety is of great importance to us so please observe the following rules and communicate them to all participants. The Visitor Center reserves the right to exclude anyone who does not follow these rules from the plant tour.

**Betreten  
auf eigene  
Gefahr!**

Entry to the plant site and production facilities is at your own risk.

The carrying and consumption of alcoholic drinks and other intoxicating substances are strictly prohibited. Entering the plant site under the influence of alcohol or intoxicating substances is also prohibited.

Sturdy, enclosed footwear must be worn.

Participants must be a minimum of 16 years of age.

Wear dirt-resistant clothing that covers your entire body – preferably made of cotton. Short skirts/trousers and short-sleeved tops are not permitted.

Observe visual and audible warning signals and do not stand under suspended loads.

Hard hats and protective goggles must be worn in the production shops; ear protection must also be worn in the designated areas. The Visitor Center will provide guests with this personal protective equipment.

Follow all safety and warning signs.

Follow the instructions of plant personnel and the guides. Always stay with your group and do not leave the designated visitor routes. Do not get out of the bus until requested to do so.

The plant tours are not accessible for people with limited mobility and wheelchair users. People with walking disabilities, fear of heights and wearers of active body aids (e.g. pacemakers, hearing aids) are not advised to take part in plant tours.

Handrails must always be used on stairs.

Photography and video/sound recordings are generally prohibited throughout the plant site and in the facilities.

The tour is not suitable for pregnant women and wheelchair users.
